ABOUT ME

I am a passionate web developer driven to create cutting-edge, user-focused digital experiences. With 1 years of experience working on front-end websites, I enjoy transforming concepts into useful, eye-catching designs. I aim to utilize my creative thinking and communication skills to add value to your projects.

WORK EXPERIENCE

Freelancer   2023 – 2024

Frontend Web Developer

- Working as a frontend web developer.
- Convert design mockups into functional, interactive web pages using HTML, CSS, and JavaScript.
- Built interactive web applications such as calculators, quizzes, or productivity tools using HTML, CSS, JavaScript, and Bootstrap.

Social Swirl   2023 - 2023

Internship as a Frontend Developer

- Experience working in a collaborative development environment, including participating in code reviews and team meetings.
- Implement features and functionalities as per project requirements.
- Identify and fix front-end issues under the guidance of senior developers.
- I am starting my internship at Social Swirl as a Frontend Web Developer from August 20, 2023 to October 13, 2023.
